

Play Futures

play futures

As part of **81 Acts of Exuberant Defiance**, **Dexters Adventure Playground** will host **Play Futures** on Saturday 24th and Sunday 25th April

Play Futures is a series of design workshops run by BIGKID Foundation for young people aged 11-21 to develop an inclusive vision for the future of Dexters as a space for young people and their wider community.

Workshops will look at the history of Railton Road and explore activities and uses for the playground site beyond play through drawing, design and modelmaking.

The final creative vision for the playground will be installed along the Railton Road fence in May to help start a conversation and signal the welcome return of Dexters to the heart of Brixton.

Aged 11-21 and want to join?
Scan the QR code and book a spot!

A local resident who'd like to know more?
Feel free to chat to our staff members.

Workshops facilitated by BIGKID Foundation with artist and urban designer Krish Nathaniel with support from architectural designers Antoinette Yetunde Oni and Teshome Douglas-Campbell.

Supported using public funding by
**ARTS COUNCIL
ENGLAND**

Supported by
The National Lottery Heritage Fund
